Celebrating 25 years of Dining Out For Life on Thursday, April 25

The 25th Annual dining event raises funds to end HIV in Central Indiana

Indianapolis, IN, April 25, 2019 – For 25 years, The Damien Center has hosted Dining Out For Life to help Hoosiers affected by HIV. The Damien Center continues to improve its one-stop-shop model of care that will be vital to ending HIV in Indiana, and Dining Out For Life plays an important role in ensuring we reach that goal.

Dining Out For Life is an easy way for anyone to support the fight against HIV in Central Indiana. Diners simply eat at a participating restaurant, and a generous portion of their bill benefits The Damien Center's efforts to provide life changing services to those living with HIV/AIDS and prevent the spread of HIV in our community. The 2019 event will feature local restaurants ranging from casual to sophisticated and everything in between, including old favorites and newcomers to the cause.

So which restaurants will be participating in this year's event? Check out The Damien Center's growing list online at www.damien.org/DOFL. **We are featuring dozens of participating restaurants who will be donating 10%, 25%, or even 50% of their sales on April 25 to support our mission to end HIV.**

The Damien Center is Indiana's oldest and largest AIDS service organization. It is a leading resource, provider, and advocate for comprehensive HIV care, prevention, education, and related services.
