**New Vice President and Chief Development Officer for The Damien Center**  
*A focus on fundraising and serving people with HIV/AIDS*

**INDIANAPOLIS** – The Damien Center has announced the addition of Jeffrey M. Roth as the organization's new Vice President and Chief Development Officer.

"I am excited to work with The Damien Center staff, volunteers, donors and clients to build a great fundraising program focused on supporting and expanding services offered by The Damien Center," said Roth. "The Damien Center represents a beacon of hope for people living with HIV/AIDS and offers a robust assortment of programs to help people live healthier, happier lives."

Prior to joining Team Damien, Roth worked for the American Library Association in Chicago, IL and has had experience with other community-based service organizations over the course of his 13 years in philanthropy, including prior employment with The Damien Center from 2006 to 2008. Roth received his B.S. in Arts Administration from Butler University and holds a Master of Arts in Philanthropic Studies from the Lilly Family School of Philanthropy at Indiana University-Purdue University Indianapolis.

The Damien Center is Indiana's oldest and largest AIDS service organization. It is a leading resource, provider and advocate for comprehensive HIV/AIDS care, prevention, education and related services. For the latest up-to-date information, visit [www.damien.org](http://www.damien.org) or follow The Damien Center on Twitter at @DamienCenter and like them on Facebook.

###

*The Damien Center leads the fight to prevent the spread of HIV and empowers persons in Central Indiana affected by HIV/AIDS to move forward each day with dignity. The Center offers vital supportive, preventive, and medical services to those infected and affected by HIV/AIDS so they may live abundant and productive lives. We believe passionately in the dignity and worth of every person who seeks our services. We strive to be a safe and welcoming place so that no barriers separate people from the services they need to prolong and enhance their lives.*
